

Global 40+® Agri

A quick and reliable trademark search of the top global trading countries

Discover Avantiq's Global 40+® Agri search—a real-time, exact and phonetically-identical search, conducted in 45 registers and the UK Pesticide Manual, analyzed by our expert search analysts, professionally reported—including full documentation for each name selected—and available in 48 hours.

The Global 40+® Agri at a glance:

- Search conducted in up to 45 classes in complete and current databases
- Search conducted, analyzed and reviewed by our Agri search experts, taking ISO standards, language and phonetics into consideration
- A professional report, including an overview of the marks retrieved, and full documentation for up to 10 names per register searched
- English translation of goods and services where available
- 48 hour turnaround
- Specially priced at 605 Euro

The INSPIRO® edge

Take the ease and convenience of the Global 40+® Agri search one step further. With your free INSPIRO® account, you can review and store all of your searches online—whether you conduct them yourself or order from Avantiq®.
