

Global 40+® Pharma

A quick and reliable trademark search of the top global trading countries

Discover Avantiq's Global 40+® Pharma search— a real-time, exact and phonetically-identical search, conducted in 45 registers and the Pharma-In-Use and INN files, analyzed by our expert search analysts, professionally reported— including full documentation for each name selected— and available in 48 hours.

The Global 40+® Pharma at a glance:

- Search conducted in the three classes of your choice in complete and current databases
- Results checked against Pharma-In-Use and fully documented in final report
- Search conducted, analyzed and reviewed by our Pharma search experts, taking therapeutic classification, language and phonetics into consideration
- A professional report, including an overview of the marks retrieved, and full documentation for up to 10 names per register searched
- English translation of goods and services where available
- 48-hour turnaround
- Specially priced at 632€

The INSPIRO® advantage

Take the ease and convenience of the Global 40+® Pharma search one step further. With your free INSPIRO® account, you can review and store all of your searches online—whether you conduct them yourself or order from Avantiq®.
